All Mule-Hide Products Co., Inc. underlayments meet or exceed industry code approvals. Shur-Gard TU Force HT features up to 12-month exposure (mechanically attached roof cover), up to 6-month exposure (adhesive-set roof covering). Refer to local codes, listings or requirement of the AHJ. Codes supersede Mule-Hide requirements and recommendations. Florida Building Code Approval for exposure beyond 6-months is pending.

\*Approved as part of a multi-ply system with mechanically fastened prepared roof coverings only. Tile applications only.
